GENERAL ELECTION 1979

PREFATORY NOTE

The Thirtieth Parliament was dissolved on March 26, 1979, and writs ordering a general election were directed to be issued on that date and to be returnable on June 11, 1979. Pursuant to subsection 13.2(3) of the *Canada Elections Act*, the number of names appearing on the preliminary lists of electors for each electoral district was published in the *Canada Gazette* on April 20, 1979 and is the basis on which the limits on election expenses for candidates and registered parties are calculated. No candidate having been elected by acclamation, a poll was held on May 22, 1979.

The official agent of every candidate was required, by subsection 63(1) of the *Act*, to submit the Candidate's Return Respecting Election Expenses not later than September 21, 1979. This Report covers 1407 of the 1427 candidates who were officially nominated at the 31st General Election.

In addition, this Report includes the election expenses returns, submitted as required, by the nine registered parties for that general election.

Also included are summaries of the Registered Party Fiscal Period Returns, for the period of August 1, 1974 to December 31, 1978, submitted by the six political parties which were registered during that period.

Jean-Marc Hamel,
Chief Electoral Officer.

Ottawa, March 24, 1980.

ÉLECTION GÉNÉRALE, 1979

REMARQUES PRÉLIMINAIRES

Le trentième Parlement a été dissous le 26 mars 1979 et les brefs ordonnant une élection générale ont été émis ce jour-là. Les brefs étaient rapportables le 11 juin 1979. En vertu du paragraphe 13.2(3) de la *Loi électorale du Canada*, le nombre de noms apparaissant sur les listes préliminaires des électeurs pour chaque circonscription fut publié dans la *Gazette du Canada* le 20 avril 1979 et constitue la base sur laquelle les limites des dépenses d'élection des candidats et des partis enregistrés sont calculées. Aucun candidat ayant été élu par acclamation, un scrutin a été tenu le 22 mai 1979.

L'agent officiel de chaque candidat devait, en vertu du paragraphe 63(1) de la *Loi*, soumettre le Rapport du candidat concernant les dépenses d'élection au plus tard le 21 septembre 1979. Le présent rapport couvre 1407 des 1427 candidats officiellement présentés à la 31^e Élection générale.

En outre, ce rapport contient les rapports des dépenses d'élection soumis, tel que requis, par les neuf partis enregistrés à cette élection générale.

Est aussi inclus un sommaire des Rapports d'un parti enregistré pour un exercice financier, couvrant la période du 1^{er} août 1974 au 31 décembre 1978, présentés par les six partis politiques dont l'enregistrement était en vigueur au cours de cette période.

Le Directeur général des élections,
Jean-Marc Hamel.

Ottawa, le 24 mars 1980.
